

# Garden Club Application 2018-2019

CCM's Garden Club aspires young minds to develop a passion for growing plants while using sustainable methods and to become stewards of the environment. The CCM Gardeners maintain the planter boxes in the back of the school, the Peace Garden, the landscaping in front of the school, and the compost bins. Garden Club meets every other Thursday from 3:45-5:00. Garden Club is open to grades 1<sup>st</sup> through middle school. Kindergarteners may join if they have a parent or guardian with them at every meeting. If you are interested in joining fill out this application and put it in the Garden Club box in the front office by September 17. The first Garden Club date is 9/20; your parent or guardian will receive an email with more details and a calendar of future Garden Club dates. Email Mrs. Porter and Analiese Kennedy with any questions: [colleen.porter@fcps.org](mailto:colleen.porter@fcps.org) & [akennedy@mmcimd.org](mailto:akennedy@mmcimd.org)
